MON	TUES	WED	THURS	FRI
Homework issued	PE (wear PE kit to school)	ICT P5 - Ukulele	Big Write PE (wear PE kit to school)	Homework due in

	ENGLISH LANGUAGE	
	READING	During term 3 we will continue with our reciprocal reading, with each member of the group having a set role for example the question, predictor or leader. We will focus on understanding the value of these roles and becoming more independent in our reading.
	WRITING	Our Big Write focus this term will be on two different styles of writing impersonal recounts and explanation writing. We will be looking at explanation writing alongside our topic of plants and their impact on society. We will continue to focus on achieving our success criteria and self-assessing.
	LISTENING & TALKING	We will be starting class talks this term. Everyone in the class will get some time at school to prepare for this but can focus on this at home. It will allow us to build our presenting skills.

How can parents help	❖ Support your child to read their Accelerated Reader every school night. ❖ Read with your child. ❖ Ask your child questions about their book and support them to find the answer in the text or pictures. ❖ Short, frequent homework sessions using weekly spelling words. <i>Work together on talk for writing homework.</i>
-----------------------------	--

	MATHS
	During term 3 we will be focusing on skip counting and a continued focus on addition and subtraction. In wider maths we will be focusing on estimating and rounding, fractions decimals and percentages and money. We will continue to complete out Big Maths. Completing CLICS, SAFES and Learn its every week.

How can parents help	❖ Use Sumdog for 20 minutes a week. ❖ Verbal practice of questions from their Learn-its and of times tables they are learning. Estimate time, weight, length, distance in everyday life. ❖ Look at CLIC parent packs on teams to support in moving up in CLICS
-----------------------------	--

	HEALTH AND WELLBEING / INTERDISCIPLINARY LEARNING
	The class will continue to have two PE sessions with Mr Kearton a week, one on Tuesday and the other a Thursday - the class can wear their PE kit to school on these days . In PE, we will develop skills in gymnastics by joining together core movement skills (roll, jump, balance) to make a routine with our partners. In class we will be covering other areas of health and wellbeing. Our IDL focus this term is Curiosity and we will be focusing on how plants grow and their impact on society. We will be investigating how we get food from farms to our plate. In ICT, we will explore the concept of sequencing in programming through Scratch. We begin with an introduction to programming looking at how to use motion, sound, and event blocks. Later we will use this knowledge to create our own programs and music.

	SKILLS FOR STARS – EARNING AN OSCAR
	This term we will be focusing on communicating, sense making and critical thinking Metaskills. Each week we will have a different Metaskill focus and a member of the class showing this skill and general kindness and school values will get the Oscar. We will be reflecting on our learning at the end of every week using our skills to see our progress.
